The Fall Season is based purely on individual play, no team format like we play in the Summer Season. Each week we will draw groups at random at 5:15 for a shotgun start at 5:30. Fall League Players who paid the \$40 entry fee have until 5:15 each week to check-in with the organizers in the clubhouse to secure their spot in the 40 player field. "Non-League Players" who are standing by will be added to the weekly 40 player field on a first-come first-served basis as space permits at 5:15.

There will be an optional weekly \$5 game open to all players with \$3 to Gross Skins and \$2 to Closest To Pin (CTP). The CTP holes will be drawn each week at random from the par 3 and par 4 holes. If a par 4 hole is drawn, it will be closest 2nd shot, if a par 3 is drawn, it will be closest tee shot. Non-League Players who fill out the 40 player field are welcome to take part in the weekly \$5 game.

A weekly Net Game and a season long FedEx Cup competition is funded by the \$40 entry fee. The weekly Net Game payout is funded by \$4 per player per week from the \$40 entry fee. The Net Game payout goes to a minimum of 3 players and will include any player who posts a net score of par or better. All ties will split the winnings, no scorecard playoff or other tiebreakers. The weekly Net Game payout distribution will be as same as that used in the past and in the Sunday Net Game – see the Fall League website for details on the weekly Net Game payout.

For the Fall FedEx Cup, points will be awarded weekly on a linear scale based on Net Score. At the conclusion of the Fall Season the pot will payout based on cumulative points, 50% of pot to 1st Place, 30% to 2nd Place, 20% to 3rd Place. Ties will split the individual winnings. The Fall FedEx Cup payout is funded by \$4 per player from the \$40 entry fee. See the Fall League website for details on the FedEx Cup points distribution.

Fall Season play will be governed by the "League Rules" as stated in the document titled "2022 Centennial Tuesday League Guidelines and Rules of Play 3-26-2022" as posted on the Fall League website.
